Greetings in the Name of Jesus:

May God be with you all and us, as we see the end approaching.

No panic, no fear, just the urgency of going on in the missionary ministry that God entrusted us. Everybody in his place, doing his own part. Amen.

Good food and Fellowship!

The tent: always a beacon.

In the desert. Alone with God.
We all need it from time to time.

Thank you joining us in the 2025 mission journey. At the end of every year, I have the habit of looking back to see what was done, and quickly I look ahead to see what needs to be done, by God's grace, and with your help.

Please know that your faithfulness in praying and giving does more than meet needs: it reminds people that they are seen, loved, and not forgotten.

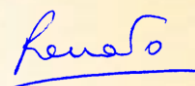

Your generosity is not just a gift, it feels personal, carrying hope and encouragement straight into people, homes, churches, prisons, rehabs, nursing homes and so on. What a beautiful reflection of God's heart through you.

You all have the best Christmas ever, enjoy your family and your church, remembering that Jesus is, and always will be the best GIFT.

We hope each of you have a blessed, prosperous, healthy, and fruitful 2026. May God's Holy presence be evident in all believers. With that, other blessings follow. Amen.

Stay with us please, we count it a privilege to walk this journey together with you. Thank you.

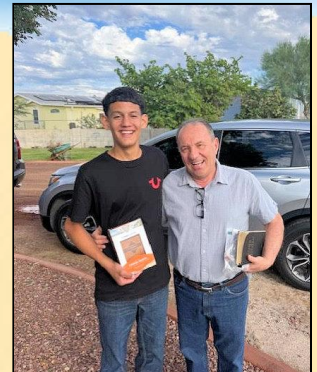

We love you all.
