Greetings in the Name of Jesus:

Greetings in the precious and Holy Name of Jesus. Praying for your families and churches.

We feel the urgency of the time running out. The world is going where the biblical prophecies tells us.

That's why we want to bring as many souls as possible in God's glory through Jesus and the preaching of the Gospel.

Dangers, perils? Life and death are in His hands. We have peace.

Forty-five years ago God told me: "Go", and today, by His grace, I am still going.

I just cannot stay still watching tragedies, misery and

desperation destroy multitudes.

Sure, I cannot solve the world's problems. It is too big. But I can make a difference in the people I get in contact with. Yes, Lord, send me.

No word will be enough to thank all of you who helped us to buy a new tent and new chairs. Please receive the deepest gratitude from our hearts.

Every dollar, every prayer will be rewarded by God in this life and in the eternal one. Amen. Thank you, thank you, thank you!

The tent and chairs are already at our missionary basecamp ready to be launched out in this sea of tragedies and desperation.

Thank God we are advancing. The evangelistic program is done for this 2026. Always leaving space to God for changes. He always does.

We had open air meeting in poor colonias, donating food, clothing, school material, etc. This never stops.

We never neglect church visits, border ministry attention and help. My missionary trips are going on as well.

Until God will give us strength and time, He knows He can count on us.

Again, thank you all. We are part of the same army, the Army of Jesus.

For His glory
and for the salvation of souls,

Renato
